TWC Child Care Regulations

§809.20. Maximum Provider Reimbursement Rates.

(a) Based on local factors, including a market rate survey provided by the Commission, a Board shall establish maximum reimbursement rates for child care subsidies to ensure that the rates provide equal access to child care in the local market and in a manner consistent with state and federal statutes and regulations governing child care. At a minimum, Boards shall establish reimbursement rates for full-day and part-day units of service, as described in §809.93(e), for the following:

- (1) Provider types:
 - (A) Licensed child care centers, including before- or after-school programs and school-age programs, as defined by DFPS;
 - (B) Licensed child care homes as defined by DFPS;
 - (C) Registered child care homes as defined by DFPS; and
 - (D) Relative child care providers as defined in §809.2.

§809.21. Determining the Amount of the Provider Reimbursement.

- (a) The actual reimbursement that the Board or the Board's child care contractor pays to the provider shall be the Board's maximum daily rate or the provider's published daily rate, whichever is lower, less the following amounts:
- (1) The parent share of cost assessed and adjusted when the parent share of cost is reduced; and
 - (2) Any child care funds received by the parent from other public or private entities.
- (b) A Board or its child care contractor shall ensure that the provider's published daily rates are calculated according to Commission guidance and include the provider's enrollment fees, supply fees, and activity fees.

The provisions of this new §809.21 adopted to be effective January 29, 2007, as published in the Texas Register, January 26, 2007, 32 TexReg 336. The provisions of this new §809.21 adopted to be effective January 8, 2013, as published in the Texas Register, January 4, 2013, 38 TexReg 155.
